Steps to successfully use your stock control system.

Step 1

- Appoint a member from your team to manage your salon stock control for all of your products.

Step 2

- Check your entire stock of L'Oréal Professionnel Paris products and record the quantities in this book.
- Ensure that you do so at regular intervals depending on the frequency of visits and communication with your Business Partner.

Step 3

- Discuss your average monthly usage of each product and agree a proposed maximum stock holding – normally around 6-8 weeks supply – to allow you to make larger purchases to take advantage of special offers or promotions.

Step 4

- You can place your order on our online ordering platform, L'Oréal Partner Shop <https://www.lorealpartnershop.com/home>.
- You can create favourites as well!
